

PIZZA City

Featuring
Mickey's Famous Subs & Salads

In February 2010, Mickey Starkweather opened Pizza City in Port Orange. His pizza, subs and salads quickly became recognized as some of the best in the area. Only top-quality ingredients are used in making their wonderful array of culinary delights.

Every day starts at 4 a.m. making fresh bread and pizza dough, which can be purchased as well to bring home and create a great pizza, sub or bread roll of your own. We hope you enjoy your visit, our quality food, fair value, friendly staff and the memories you share in our family-friendly establishment!
